

The Erb Group of Companies is a certified partner in the Canadian Homeland security initiative (PIP) "Partners In Protection" Erb International Inc is also a partner in the (PIP) & (C-TPAT) "Customs-Trade Partnership Against Terrorism" initiative. In addition, Erb International Inc participates in the Canadian and United States "Free And Secure Trade" program (FAST), and the "Customs Self-Assessment" program (CSA), which is directed by "Canada Border Services Agency" (CBSA).

In order to participate in these programs our company must meet and adhere to specific security requirements set forth by the programs. The programs require that carriers have adequate security measures in place at all terminal locations and within all levels of the company in order to be accredited secure partner. These programs in coordination with our security policies and procedures protect the customer's shipment from delivery to pick up.
